Supervision BA/MA thesis – Prof. Mathias Hoffmann

If you would like to write your Bachelor or Master thesis at the chair of Prof. Hoffmann, the following prerequisites need to be fulfilled:

Bachelor Thesis:

Successful completion of at least one module from the core elective program for which Prof. Mathias Hoffmann is the module coordinator and after consultation with the respective lecturer (e.g. *Topics in Money and International Finance*).

Master Thesis:

Successful completion of the lecture *International Macroeconomics*. The candidate should also have attended another advanced lecture or seminar in international macroeconomics and finance (e.g. the seminar *International Macroeconomics and Financial Markets* offered by Prof. Hoffmann).

If you fulfil these requirements, we are looking forward to receiving the following information from you:

- Short letter of motivation describing your main interest of study and a potential research topic (incl. bibliography)
- Up-to-date academic record
- CV
- Desired starting date

Please note that you should contact us approx. 3-4 months before your preferred starting date. The coordination with the relevant degree conferral dates is the responsibility of the student.
